CCB Feb. 10, 1933

Eastern District of Pennsylvania, to wit:

BE IT REMEMBERED, That on the first day of January, in the fiftieth year of the Independence of the United States of America, A.D. 1826, JAMES WEBSTER, of the said District, hath deposited in this Office the title of a Book, the right whereof he claims as proprietor, in the words following, to wit:

"The Medical Recorder of Original Papers and Intelligence in Medicine and Surgery. Conducted by Samuel Colhoun, M. D. Member of the American Philosophical Society, Corresponding Member of the Medical Society of London, &c. assisted by an Association of Physicians in Philadelphia, New-York, Baltimore, and Norfolk. Nullius addictus jurare in verba magistri.—Hor. Vol. IX."

In conformity to the act of the Congress of the United States, entitled "An act for the encouragement of learning, by securing the copies of maps, charts, and books, to the authors and proprietors of such copies during the times therein mentioned." And also to the act, entitled "An act supplementary to an act, entitled 'An act for the encouragement of learning, by securing the copies of maps, charts, and books, to the authors and proprietors of such copies during the times therein mentioned,' and extending the benefits thereof to the arts of designing, engraving, and etching historical and other prints."

D. CALDWELL,
Clerk of the Eastern District of Pennsylvania.

2013 Feb. 10, 1933

CONTENTS OF VOL. IX.

NO. XXXIII.

	Page
ART. I. Essays on the Causes, Symptoms, Morbid Anatomy, and Treatment of some of the principal Diseases of the Southern States. By Samuel A. Cartwright, M.D. of Natchez, with a plate,	1
